#### FEATURE HAM OF THE MONTH

#### "KEN WALDROP"

KEN WALDROP WA4WYD. CONGRATULATIONS KEN! EVERYONE SHOULD KNOW THAT KEN JUST CELEBRATED HIS 86TH BIRTHDAY ON JANUARY 1, 1992. NOT ONLY THAT BUT HE JUST CELEBRATED HIS 60TH WEDDING ANNIVERSARY WITH HIS WIFE VERA. NOW THAT'S SOMETHING.....

KEN WAS BORN IN EDGERTON, INDIANA. NOW RETIRED FROM THE FT. WAYNE, POLICE DEPARTMENT HE WAS ACTIVE IN MANY OTHER INTERESTING OCCUPATIONS SUCH AS AN ASSIGNMENT TO WEST AFRICA WITH THE FOREIGN SERVICES OF THE STATE DEPARTMENT, ONE OF 7 VICE PRESIDENTS OF THE UNITED STATES CIVIL DEFENSE COUNCIL, WASHINGTON, DC., CAPTAIN OF THE FORT WAYNE POLICE DEPARTMENT AND FIREARMS INSTRUCTOR. 4 CHILDREN HAVE KEPT KEN BUSY OVER THE YEARS AS WELL AS HIS WIFE VERA. NOW HE IS MORE BUSY THAN EVER WITH ACTIVITIES SUCH AS TRAVELING, BOWLING, GOLFING AND FISHING. I UNDERSTAND KEN IS AN AVID MODEL TRAIN ENTHUSIAST AND HAS QUITE A TRAIN LAYOUT. NOW IF THAT IS NOT ENOUGH, KEN IS ALSO ACTIVE IN 2 METER 20 AND 40 METER. HIS FIRST LICENSE WAS EL2I IN 1962. (LIBERIA) THEN WB4ERP, W9LFC AND NOW AN ADVANCED LICENSE OF WA4WYD.

IF YOU WERE AT THE NFARL'S CHRISTMAS PARTY, YOU WILL REMEMBER KEN FROM HIS "BLESSING OF THE FOOD". THANKS KEN. ROSWELL'S UNITED METHODIST CHURCH, WHERE KEN IS A MEMBER, HAS A GREAT ASSET.

IF YOU HAVEN'T MET KEN, DO SO AT THE MEETINGS, HE IS ALWAYS THERE.

DAVE VANDERWALL KC4WGK

There will be other bills that need to be paid that are not included in the list, due to their not being paid annually.

Our current balance in the checking account is \$670.06. We have a projected cash out flow of +/- \$1,700 for 1992. If we do not receive your financial support for 1992, we will have a projected deficit of +/- \$1,100. We could manage for the year by using the money in our savings account, however, as we discussed in the September meeting and voted in October, the club members voted a dues increase from \$22 to \$30, thereby providing the necessary cash flow for the year and keeping the savings account for rainy days not normal day to day expenses. We do realize this is only the first of January, but we do need your support and greatly appreciate it. As a final point of interest, we have had 48 renewals, and 120 +/- that have not renewed for what ever reasons. For members that do not send in their renewals by Jan. 31, 1992 their newsletter, phone and mailbox privileges will be suspended. If you are having a problem in paying the dues please call one of us. Please pledge your support for the North Fulton Amateur Radio League in 1992.

#### Technical Committee Report

Our 145.47 frequency is one of the few remaining frequencies in the state of Georgia that is a clear channel. We should feel fortunate that we have been able to keep this status as long as we have. There are other organizations that are not quite as fortunate as we are. They have to share frequencies by the use of tone access and other methods that assists them from hearing the adjacent and cochannel repeaters.

Looking back in 1991, the technical committee virtually eliminated the intermod that has plagued us for the last several years. They installed additional pass cavities on the receive side of the system and retuned the cavities. A crystal filter needs to be purchased and installed just in front of the receiver. Hopefully that should narrow the pass band enough to virtually eliminate everything except on frequency intermod. They installed a new state of the art digital repeater controller on 145.47 and installed 443.2 radio on Sweat Mountain. After installing 443.2 on Sweat Mtn, we developed some inherent intermod problems from our own equipment, 443.2, 145.47 and 443.8 located on Blackjack Mtn. (443.8 - 443.2 -145.47 = 144.87) The 443.2 radio was removed from Sweat Mtn and a new frequency pair was ordered. 443.2 is now installed on High House Mountain in North Georgia with a link planned to 145.47 after it gets warmer. 444.475 is our new frequency and is to take the place of 443.2 on Sweat Mountain some time in the near future. The 100 watt Motorola amplifier on 145.47 is still plagued with a heat sensitive part and is currently turned Don, K4UAF, loaned us his mobile amplifier and is currently installed and has done an excellent job as a stand by amplifier. We need to consider purchasing a new 100 - 150 watt amplifier, similar to the one installed on 22-82, and install it on 145.47. Then we could have the old one repaired and re-installed at the 147.06 site. We are still planning the voting receivers for 145.47, but as you can tell, from the list above, we have other

things on the platter that need to be fixed first.

A few words from Fred (N4CLA) and Cathy (XYL), my lovely bride

We enjoyed having all of you and your spouses (80 +) for the Christmas dinner. For those that couldn't make it, we missed you. Maybe next year you will be able to make it. We hope that you and yours had a Joyous holiday season and will have a Happy, safe and prosperous New Year.

Respectfully submitted, Fred L. Moore III (N4CLA), Treasurer and Technical Committee Chairman.

Hey, guess what's just around the corner? Christmas. Well that's true but actually it's about to be a whole new year for NFARL. 1992 should be the most exciting year yet if you are a member of the NFARL. January 1992 will be the beginning of some new and exciting club meetings, presentations, special events and joining of new members. As your committee chairman and new member liaison, I have some great new ideas. If you are not a member of NFARL you are going to miss an opportunity to participate in a fine amateur radio operator's club. If you are a member you will be in for a real treat. If you know someone who is a new ham or interested in amateur radio introduce them to our club. You will get satisfying results and they will thank you for it.

As you know teams win by their efforts, participation and enthusiasm. We have a broad base of members, all with very special talents. Some of us are leaders, followers, starters, etc. I'm sure you will want to participate in the 1992 NFARL. Even if you are a follower, we need you to join our team, get excited and help us be the best amateur radio club in the Atlanta area.

Tell me what you want for 1992. Noted speakers, major equipment manufacturer presentations, tailgate hamfests, field day, money raising events, door prizes, training seminars, you name it and we can do it for 1992.

I am committed to do my best to make the NFARL the best club in the area. Can I count on you?

Dave Vanderwall KC4WGK
