Georgia's best and largest Hamfest offers everything you are used to, and more! Don't forget the "Commercial Tailgating" section for those vendors with tents, trailers, and motorhomes needing more space and electrical power. These are the only Boneyard spaces that can be reserved in advance, so don't wait. Also, the Indoor Flea Market has only about 100 tables, so reserve yours today if you plan to be inside.

You may register for tickets and/or tables by mail with this form. If you need another form or would like to see a table layout diagram, go to [www.totr-radio.org](http://www.totr-radio.org) and follow the link to the Hamfest information. This Hamfest Hotline can also give you recorded messages, or you can leave your own message for the Hamfest Chairman.

Since we are all volunteers, do not expect to talk to a live human when you try to call. We check those messages and respond after hours or the next day. However, we will respond promptly whichever method you contact us.

When you are registered, you will receive a confirmation in late September or early October, giving you table assignments. We have camper hookups available on site, and are arranging special rates at a nearby hotel for your convenience.

Your registration includes an admission for each table you rent (for example, 5 tables gets you 5 tickets). Additional tickets may be purchased in advance for \$6 per person. **Please register early** and let us know if you have questions. If you only want tickets, register soon anyway, and save time at the gate.

**NO TICKETS WILL BE MAILED!** If you register for tables, your tickets will be held in your name at the Vendors' gate. Tickets for admission ONLY (no tables) will be held at the front gate.

*AMRC Hamfest Committee*

**Fun for all ages:** A number of youth activities will be offered at the hamfest, for hams and non-hams alike, including a youth forum (with plenty of door prizes), a youth lounge, snacks and drinks, youth special event station, youth scavenger hunt, youth fox hunts, youth calling frequencies, and more! Contact Andrea Hartlage, KG4IUM, [kg4ium@arrl-ga.org](mailto:kg4ium@arrl-ga.org), with any questions or suggestions about the youth activities.
