Tuesday, November 20
NFARL November meeting 7:30PM

Tuesday, December 18
NFARL Christmas Party 6:30 PM

Tuesday, January 15,
DXing 101 Presented by Wes Lamboley, W3WL

November ARES Meeting - November 20 @ 6:30 PM
Plans are evolving to have all ARES members (and others who might be interested) to complete the FEMA courses online. Stay tuned to the NF ARES yahoo reflector or contact W4UOC@nfarl.org for details. Oh, did we mention that the S.E.T. was highly successful? All fire stations in Alpharetta, Roswell, and Sandy Springs were covered, and messages were passed from each using WinLink and delivery was 100%, and 2 hospital stations activated. Give back a little (or a lot) to this great hobby with your show of support for EmComm and ARES. To join the reflector: http://groups.yahoo.com/group/nfares/ Website: www.nfares.org

November Club Meeting – November 20 @ 7:30 PM
YAGI ANTENNAS -
Our speaker - Don Kasten, N4DK, will describe how yagi antennas work and the installation of his STEPPIR antenna. Not familiar with the STEPPIR? It’s one amazing antenna. Don’t miss this one. **Meeting Location:** EOC behind Alpharetta Fire Station #1 at 2970 Webb Bridge Road, Alpharetta, GA. **Where/map:** http://tinyurl.com/yhd25e **BUT bring your own camp chair, PLS.**

Door prizes- Toys for Techies - If everyone brings one good, clean item/book to give away as door prizes, then everyone will win one!! + World Radio magazine subscription, + Gift Certificate from HRO
November Build-a-thon – November 17 @ 10AM - Mack, WB4MAK@nfarl.org is the project manager for our next event - Building a Crystal Oscillator. It will be held on Nov. 17 (Saturday) at our usual meeting location - the EOC. Bring a soldering iron/station and small tools if you have them. The cost of the project is $8 and you must sign up with Mack beforehand in order to participate. But there are still seats available.

December Christmas Party - December 18 @ 6:30PM. - Bring a dish, ur YL and a child’s Christmas gift. The gift does not need to be wrapped, unless you want to. This event will be held at Christ United Methodist Church, 1340 Woodstock Road (Hwy 92), Roswell. Christ United Methodist Church is located directly across from the Super Target and the Chik-Fil-A on Hwy 92 between Mountain Park Rd and Hardscrabble.

October Meeting Report - DXpedition to Scarborough Reef - Our speaker - Paul Pescitelli, K4UJ, member of the local SEDXA was on the team for this DXpedition. A very informative and eye opening presentation. All 39 at the meeting liked this one a lot. DX-IS.org

Repeater News! - The club 444.475 repeater (+5MHz PL100) is now back on the air with a whole new RF GE MASTR II system and a new controller the PION PSE-508-2. This is all due to the hard work of N4CLA, our repeater manager, and a donation of the equipment from club members, W5JR and N5ZZ. The PL may not be required all the time but (please) program the 100Hz subaudible tone into your rig, just in case. It will not hurt having it programmed even if it is not required. Further news; a “joint” venture with the MATPARC club and NFARL now has the MATPARC repeater, 443.150 (+5MHz, no PL) repeater located at the water tower in downtown Roswell. It should be a good ARES repeater for coverage in the local area as well as up and down Hwy. 9. Give them a try and be ready to use them during emergencies!

Hungry Hams Lunch Bunch each Wednesday @11:45 - Members are congregating at the Slope’s BBQ on Crossville Road each Wednesday. Come join us. Bring a friend. Slope’s is just EAST of Crabapple Road on Crossville in Roswell.

Membership –We need your help to Hit A Hundred ++++ ! We’re almost there (it fluctuates!) (WE ARE NOW AT 107). There are many who have not renewed, and many hams (Would you believe there are over 1000 hams within 12 miles of downtown Roswell!!) that would enjoy our club. For an application, go to the club website: http://www.nfarl.org/memberapp.pdf and download the form. Join or renew NOW! Sign up a friend.

How ‘bout Joining our Yahoo reflector - Here’s how to be a part of the NFARL mailing list. Send a message with your name and callsign in the body to: nfarl-subscribe@yahoogroups.com. Check out the new club photo at the reflector home:
http://groups.yahoo.com/group/nfarl click the **JOIN THIS GROUP** in upper right, and just follow the instructions from there. Come on, join the group. You don’t have to be a member of NFARL to join the group but to have FUN - JOIN!
